

## PASSPORT REQUIRED FOR DOGS/CATS AND FERRETS

VE 03/PO 05

Al Servizio Veterinario  
U.L.SS. 8 "BERICA"  
Servizio Sanità Animale

The undersigned \_\_\_\_\_

Resident in the town of \_\_\_\_\_ address \_\_\_\_\_

Owner of the dog/cat /ferret, breed \_\_\_\_\_

sex  M  F, identified by microchip \_\_\_\_\_

calls for the release of his animal passport and represent that have been informed that:

1. possession of the passport in accordance Reg.CEE n. 576 e 577/2013, is not' enough for the export of the dog/cat/ ferret;
2. to go in some states are required declarations, certifications and/or additional treatment;
3. to return from some countries needs to perform a blood test (antibody titration), for which they provided technical time;
4. The passport must always be signed by the pet's owners to be considered valid

**Also agrees to vaccinate the animal against rabies at least 21 days before taking abroad, and to record the vaccination in the passport by his veterinarian.**
